WARREN E. BUFFETT, CHAIRMAN

December 3, 2003

Mr. Alexi Neocleous  
3 Namoi Place  
Sylvania Waters NSW  
AUSTRALIA 2224

Dear Alexi:

Thanks for your letter and the enclosed \$10. I'm returning the latter, since I'm unlikely to be in a position to spend it whereas you can put it to good use.

Unfortunately, Luana must have been attracted to a "look-alike," since I haven't been in London for a long time and don't ever remember being in a bar there. I'll bet I'm more disappointed than she is.

I'm a poor bet to ever get to Australia, but I'm keeping your letter just in case. Good luck to you.

Sincerely,

Warren E. Buffett

P.S. You're definitely invited to our annual meeting next year – just as long as you bring Luana.
